

PLAYER'S EDGE 21 BLACKJACK

Player's Edge 21 is a Blackjack variation using Spanish decks (Standard 52-card deck with all the 10's removed).

The object of the game is to beat the dealer by having a point total closest to 21 without going over.

Player's Edge 21 gives you countless new ways to win additional bonuses.

MATCH UP

Offers a payout if the Dealer's up-card matches rank with at least one of the player's initial two cards.

MATCH DOWN

Offers a payout if the Dealer's down-card matches rank with at least one of the player's initial two cards.
