

# TRIPLE LUCK BLACKJACK

Triple Luck is an optional bonus wager that can be played on standard and Blackjack variant games using 1 - 8 decks.

Using the player's first two cards and the dealer's up-card, players triple their luck with three ways to win when the 3-card hand totals 19, 20, or 21. The pays get even higher if the 21 is suited, a 6-7-8, or three 7's!
