# THE WOODWARD CANYON ARTIST SERIES COLLECTION

Woodward Canyon's "Artist Series" began in 1992 when the winery made a decision to produce a new Cabernet Sauvignon from the Canoe Ridge Vineyard in which founder and winemaker Rick Small and his wife Darcey Fugman-Small were partners. They were looking for a unique label that would distinguish it from their Old Vines Reserve and Walla Walla Valley Cabernet labels.

While they were pondering a new label, it just so happened that Rick was in Portland, Oregon at a wine tasting event and was approached by artist, Jennifer Marks. Jennifer suggested using one of her works of art on a wine label. After discussing her idea, the Small's created the "Artist Series" Cabernet Sauvignon and Jennifer became the winery's first artist on their new Cabernet production.
